The Amitai Group (Team)
Power International Brokers

Dear Roni and Lee,

Over the years, Tony and I have bought and sold real estate many times.

We have come across a myriad of realtors. Some professional, some not; some conscientious, some not and then some just in the transaction for themselves.

What we found in working with you has been unprecedented – a total package. You have proven to us not once but twice how important a “true realtor” can be when buying or selling a home. Even more so in our case, since we were 2,500 miles away. Your knowledge, professionalism and “stick to it” attitude afforded us the ability to sleep at night with the confidence all would be handled accordingly.

We are so thankful to you for assisting us in the sale of our properties.

YOU TRULY ARE THE BEST!!

Much sincere appreciation and blessings to you both.

Marie and Tony Blount

P.S. If ever asked, The Amitai Team (Roni and Lee) would be the realtors we would refer.
