Dear Roni and Lee,

This is to thank you for your expert and professional handling of the sale of 4260 La Salle in Culver City. It was an unusual transaction, since you were representing both the buyer (me) and the seller.

Always, you had both of our interests in mind. It was a smooth transaction which was fair for all parties--truly win-win.

Throughout the process, which involved vast amounts of state-mandated paperwork and inspections, you were detail-oriented and well informed. And you always made yourselves available to meet inspectors etc. If we discussed a question, you remembered and followed through on it immediately--a much appreciated trait! Also very much appreciated the referrals you were able to give me.

Please don't hesitate to have future clients telephone or email me if they have further questions. Thanks again for your great work!

Sending my best wishes to you and your families,

Dr. Jane Brockman
