To whom it may concern:

I would like to recommend Roni and Lee Amitai for your next real estate services. They assisted me in finding tenants for my mother's property when she became ill in 2012. As a team the Amitai group anticipated our needs and always made me feel like I was their top priority, even though I live 300 miles away.

I contacted Roni when a family emergency developed and I needed to sell my mother's property immediately. There were delicate and time sensitive issues that needed to be resolved in order to list the house. Roni was able to resolve the problems. Roni and Lee sold the house in one week and negotiated an all cash offer above our asking price. They also closed escrow in fourteen days which enabled my family to resolve a difficult situation.

We are very grateful to Roni and Lee for their hard work and timely efforts on our behalf. My experience with Roni and Lee has far exceeded my expectations. It was a great pleasure to work with them and I would gladly work with them again.

Sincerely,
